Sanitary District to Begin Work in Fountain Park

Beginning on April 10, 2017 the Fountain Hills Sanitary District will begin preliminary work on the recharge well located near the amphitheater in Fountain Park. Preliminary work on the well is scheduled for the week of April 10 – 17. The main construction work that will upgrade the well is scheduled to run from April 17 through June 1, 2017. Due to the large construction zone, a perimeter will enclose the work area, which crosses part of the North walking path. For ease of park use, a pedestrian detour walking path will be marked so that enjoyment of the park is not inhibited.

For more information please contact 480-816-5100.
