Upcoming Power Outage on the Avenue of the Fountains

SRP has notified staff of an upcoming power outage that will affect the Avenue of the Fountains median, east end, Verde River to Saguaro. This outage is necessary as part of the ongoing upgrades to the SRP infrastructure that will supply power to Park Place.

The outage will be from 10:00am Wednesday August 30, 2017, and remain in effect until 8:00pm Wednesday September 6, 2017.

This outage will disrupt the running of the fountains, all pedestrian lighting and the art installations along the Avenue of the Fountains Plaza. We thank our community in advance for their patience while this maintenance work is completed.
