Town Council Terminates Town Attorney Contract

The Fountain Hills Town Council took action at its meeting on October 3, 2017, to terminate its contract with Gust Rosenfeld, the law firm that provided legal services to the Town of Fountain Hills. With a vote of 4-3 the Town Council approved a motion to sever the contract with Gust Rosenfeld and to direct the Town Manager to proceed in securing interim legal services.

The Town Council plans to hold a work session in the near future to discuss and provide direction to staff on various options for legal services including having an in-house Town Attorney or to have another law firm provide legal services to the Town of Fountain Hills.
