## **Fountain Park Fountain Down for Routine Maintenance**

The Fountain in Fountain Park will not be in operation on Thursday, June 14, 2018 due to routine electrical maintenance being performed on the pump system. The maintenance is expected to take approximately eight hours allowing for the fountain to return to normal run times in the late afternoon hours of Thursday. We thank the community for their patience during this time as we work diligently to keep our name sake fountain in pristine working order.
