

Maricopa County Sheriff's Office

Annual Report for Fountain Hills

This report reflects a year to year comparison of calls for service and on view based on the primary deputy's call sign.

Data Sources and Knowledge Stores

The Maricopa County Sheriff's Office (MCSO) utilizes Intergraph's Computer-Aided Dispatch (I/CAD), that went live within the MCSO on September 24th, 2013.

Definitions

Calls for Service (CFS) – occurs when a resident contacts the Office, typically by phone, and a deputy is dispatched to handle the call (Wilson & Weiss, 2009).

They include calls to "911" for emergency assistance along with to non-emergency numbers (Police Data Initiative, n.d.).

Deputy Initiated Activities (On View/OV) – occurs when a deputy initiates the dispatch by conducting a traffic stop or other proactive policing event.

Unknown Origin – this occurs when the I/CAD is unable to determine the origin of the event. This is rare but does happen.

Additional Information

An asterisk (*) indicates subcodes were grouped under the main event category. For example, speeding and no seatbelt, etc., are grouped under the main event category Traffic Violation*.
