Subject: Mandatory Pre-Bid Mtg. Addendum

The question about how to bid on Public Works Median hours and Irrigation hours should be as follows:

- Median work is based on two laborers for 2,000 hours annually, based on 40 hrs./week
- Irrigation is based on two people, one Irrigation Technician and one helper/labor. This would involve one day per week or 400 hours/year.

This includes all necessary items such as a truck and tools, but not any irrigation supplies. These supplies will be purchased by the Town.

It should also be understood that hour adjustments could be made depending on how the Town Council approves the budget.
