A copy of the County Contract is attached hereto as Exhibit A and incorporated herein by reference, to the extent not inconsistent with this Agreement.

B. The Town is permitted, pursuant to Section 3-3-13 of the Town Code, to make purchases under the County Contract, at its discretion and with the agreement of the awarded Contractor, and the County Contract permits its cooperative use by other public entities including the Town.

C. The Town and the Contractor desire to enter into this Agreement for the purpose of (i) acknowledging a cooperative contractual relationship between the Town and the Contractor, (ii) establishing the terms and conditions by which the Contractor may provide the Town with street sweeping services, as more particularly set forth in Section 2 below (the "Services") and (iii) setting the maximum aggregate amount to be expended pursuant to this Agreement related to the Services.

1. Term of Agreement. This Agreement shall be effective as of the date first set forth above and shall remain in full force and effect until June 30, 2014 (the "Initial Term"), unless terminated as otherwise provided pursuant to the terms and conditions of this Agreement or the County Contract. After the expiration of the Initial Term, this Agreement may be renewed for up to four successive one-year terms (each, a "Renewal Term") if (i) it is deemed in the best interests of the Town, subject to availability and appropriation of funds for renewal in each subsequent year, (ii) the term of the County Contract has been extended, (iii) at least 30 days prior to the end of the then-current term of the Agreement, the Contractor requests, in writing, to extend the Agreement for an additional one-year term and (iv) the Town approves the additional one-year term in writing (including any price adjustments approved as part of the County

Contract), as evidenced by the Town Manager's signature thereon, which approval may be withheld by the Town for any reason. The Contractor's failure to seek a renewal of this Agreement shall cause the Agreement to terminate at the end of the then-current term of this Agreement; provided, however, that the Town may, at its discretion and with the agreement of the Contractor, elect to waive this requirement and renew this Agreement. The Initial Term and any Renewal Term(s) are collectively referred to herein as the "Term." Upon renewal, the terms and conditions of this Agreement shall remain in full force and effect.

The reporting period shall cover the fiscal year beginning July 1 of the previous year and ending June 30 of the then-current year.

Each invoice shall (i) contain a reference to this Agreement and the County Contract and (ii) document and itemize all work completed to date. The invoice statement shall include a record of time expended and work performed in sufficient detail to justify payment. Additionally, invoices submitted without referencing this Agreement and the County Contract will be subject to rejection and may be returned.

6. Records and Audit Rights. To ensure that the Contractor and its subcontractors are complying with the warranty under Section 7 below, Contractor's and its subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Agreement, including the papers of any Contractor and its subcontractors' employees who perform any work or services pursuant to this Agreement (all of the foregoing hereinafter referred to as "Records"), shall be open to inspection and subject to audit and/or reproduction during normal working hours by the Town, to the extent necessary to adequately permit (i) evaluation and verification of any invoices, payments or claims based on Contractor's and its subcontractors' actual costs (including direct and indirect costs and overhead allocations) incurred, or units expended directly in the performance of work under this Agreement and (ii) evaluation of the Contractor's and its subcontractors' compliance with the Arizona employer sanctions laws referenced in Section 7 below. To the extent necessary for the Town to audit Records as set forth in this Section, Contractor and its subcontractors hereby waive any rights to keep such Records confidential. For the purpose of evaluating or verifying such actual or claimed costs or units expended, the Town shall have access to said Records, even if located at its subcontractors' facilities, from the effective date of this Agreement for the

duration of the work and until three years after the date of final payment by the Town to Contractor pursuant to this Agreement. Contractor and its subcontractors shall provide the Town with adequate and appropriate workspace so that the Town can conduct audits in compliance with the provisions of this Section. The Town shall give Contractor or its subcontractors reasonable advance notice of intended audits. The Town shall be the sole judge and authority in determining the availability of funds under this Agreement and the Town shall keep the Contractor fully informed as to the availability of funds for this Agreement. The obligation of the Town to make any payment pursuant to this Agreement is a current expense of the Town, payable exclusively from such annual appropriations, and is not a general obligation or indebtedness of the Town. If the Town Council fails to appropriate money sufficient to pay the amounts as set forth in this Agreement during any immediately succeeding fiscal year, this Agreement shall terminate at the end of then-current fiscal year and the Town and the Contractor shall be relieved of any subsequent obligation under this Agreement.

In the event of any inconsistency, conflict or ambiguity among the terms of this Agreement, any Town-approved work orders, invoices and the County Contract, the documents shall govern in the order listed herein. Notwithstanding the foregoing, and in conformity with Section 2 above, unauthorized exceptions, conditions, limitations or provisions in conflict with the terms of this Agreement or the County Contract (collectively, the

“Unauthorized Conditions”), other than the Town’s project-specific requirements, are expressly declared void and shall be of no force and effect. Acceptance by the Town of any work order or invoice containing any such Unauthorized Conditions or failure to demand full compliance with the terms and conditions set forth in this Agreement or under the County Contract shall not alter or relieve Contractor from, nor be construed or deemed a waiver of, its requirements and obligations in the performance of this Agreement.

13. Rights and Privileges. To the extent provided under the County Contract, the Town shall be afforded all of the rights and privileges afforded to the County and shall be the “County” (as defined in the County Contract) for the purposes of the County Contract.

A positive fuel cost adjustment will result in an increase in payments to Contractor while a negative fuel cost adjustment will result in a decrease in payments to Contractor.

All subsequent fuel cost adjustments shall be based upon the date the County approves a Contractor's request for fuel cost adjustment (e.g. fuel cost adjustment approved by County on January 1, 2006, January 1, 2006 becomes base date for any next Contractor request for adjustment).

2.23.5 Fuel Cost Application Requirement. The Contractor must provide documentation including type of motor fuel and fuel invoices with price of the fuel used in providing services under this Contract, from the month bids were due and the month of the cost adjustment request, with any fuel cost adjustment application. The fuel cost adjustment application must be completed with all applicable data, and signed by the Contractor.

2.23.6 The fuel surcharge shall be based on the current quarterly index of the West Coast (PADD5) Diesel (On-Highway)-All Types or Reformulated Areas Gasoline compared to the previous quarterly index period as reported on the Energy Information Administration (EIA) website: <http://www.eia.doe.gov/>

2.23.7 The computation of the fuel surcharge amount shall be determined as follows:
